---

* This selection of pamphlets which covers approximately the period from September, 1938, to date, is made without any judgment as to the validity of points of view expressed in them. They are included for their informational value. The reader should note that the pamphlets appearing in series are listed together, a number of them would, in a subject matter classification, fall under various topical headings. Pamphlets, other than Federal Council publications, cannot be supplied by this Department.

XUM
